POSITION VACANT

BREAKFAST CHEF - CASUAL

As the **Breakfast Chef** you will work closely with all levels of staff including the Head Chef, the kitchen team, and members of the Food and Beverage Department. You will be a hands-on chef, with a ton of creative input who rises to challenges to meet high standards when it comes service and product delivery. Your role will mostly focus on the efficient preparation of a busy full a la carte breakfast service, cooked to order and as required assist with functions and events.

Duties

- Focus on maintaining and delivering high quality products
- Maintain operational standards of the kitchen department in line with policy and procedure
- Exceptional delivery of customer service
- Use initiative to manage and resolve customer and product faults in an efficient and timely manner

Skills and Experience

- Strong leadership skills
- Commercial cookery certificate
- Industry experience in a similar venue or establishment
- A strong understanding of kitchen operations and the importance of standards
- A demonstrated understanding or familiarisation of hygiene/cleanliness
- A very high level of attention to detail
- Flexibility to work the required shifts and ability to step in and assist where necessary
- Exceptional time management skills and ability to work under pressure
- Consistent and professional approach to delivering customer service
- A shared passion and responsibility towards our group's vision and values.

This is a casual position predominantly working weekends.
